16. Declaration

I hereby confirm and declare that:

1. I have been instructed by the applicant(s) named in this application (and where there are joint applicants by both applicants expressly) to complete this application for and on behalf of them.
2. I have made the applicant(s) aware that once the application is submitted you may make enquiries or take up references of any person including current and previous lenders, credit reference agencies, employers, landlords, accountants, bankers, the Land Registry and/or the Inland Revenue as you consider necessary.
3. The information in this application and the answers given is/ are those provided by the applicant(s) and to the best of my knowledge are true. I am aware and I have made the applicant(s) aware that it is a criminal offence to knowingly supply false information to obtain a mortgage.
4. I have made the applicant(s) aware that you can decline an application at any stage without providing a reason for your decision.
5. I understand that you will rely on this information when deciding to issue a mortgage offer and I will use my best endeavours to make good any loss that you may suffer as a result of any incorrect or misleading information that I have provided you.
6. I undertake to notify you as soon as I become aware that any information in this application ceases to be true, accurate and complete.
7. I have a) outlined the nature of the mortgage and the product to the applicant(s) b) provided the applicant(s) with an illustration for the product they have instructed me to apply for and I have received confirmation from them that they have read and understood the illustration, and c) explained the nature and amount of the fees payable by the applicant and I have confirmed with the customer which fees are not refundable even if you do not offer them a mortgage or the mortgage does not proceed for any other reason.
8. I have explained to the applicant(s) that the valuation report is obtained by you for your own purposes only and that, whilst they are responsible for the fee, the report will remain your property.
9. I have explained to the applicant that they have no recourse to you in relation to the contents of the valuation report and that, as it is not a Home Survey Level 2 or Level 3 report, that the most prudent course would be for them to commission a Surveyor to carry out a more detailed report.
10. I have advised the applicant that if they do not request or obtain a more detailed report for their use they run the risk that the property may suffer or have suffered from serious defects which are not mentioned in the valuation report obtained by you and that the report may be inadequate for their purposes in deciding whether or not to buy the property. I have recommended that they arrange a more detailed inspection for their own purposes.
11. I confirm that all documents provided, whether electronically attached or posted, are genuine copies of the original documents that have been seen by me.
12. I have advised the applicant that you may disclose details about the progress of their application, including whether or not it has been granted, and details of any complaints they make prior to completion, to myself if I request it.
13. I undertake to provide you with all the documentary evidence that you require to support the information contained in this application.
14. I undertake that, if repayment of the mortgage continues after the applicant(s) are retired, I will ensure that a full explanation will be provided in the application as to how the mortgage will be funded in retirement.
15. I undertake that, where the applicant(s) wish to proceed with a mortgage which has an interest only element, I will ensure that the means by which they intend to repay the mortgage will be documented and evidence provided to you.
16. I undertake to fully discuss with the applicant(s) the affordability of the monthly commitment associated with the proposed loan both at present rates and taking into consideration the possibility of a general increase in interest rates in the future.
17. I confirm I have completed a satisfactory affordability check using the calculator on the TMW Website using accurate applicant information.
18. I confirm that where an application constitutes a 'consumer buy to let' loan, I am appropriately registered with the FCA to carry out that service.
19. I have made the applicant(s) aware that they aren't allowed to live in the Buy to Let property at any time and will be in breach of the terms and conditions of the mortgage contract should they choose to do so. Where this becomes the case, I have informed the applicant(s) that it is TMW's policy to give the customer a period of time in which to vacate the property, or instead remortgage to a residential loan. If a customer fails to comply with these terms, I have made them aware that this may lead to legal action being taken against them, which could ultimately result in TMW taking possession of the property.
20. Porting applications are subject to the new mortgage and property meeting our current Lending Criteria and the existing mortgage redeeming and the new mortgage completing simultaneously. Your client can keep the same, reduce or increase their borrowing. If your client reduces their mortgage, they may incur an Early Repayment Charge on the amount you are reducing it by. If your client is wanting to increase their borrowing you can transfer your current balance over to the new property without incurring Early Repayment Charges providing the completion dates for sale and purchase are on the same day.
